

Fraud and Identify Theft

Fraud and Identity Theft can impact anyone

PAS offers fraud resolution services to help you recover from fraudulent activity or identity theft.

PAS Fraud Resolution Specialists help you get your identity back and give you tools to protect yourself from future incidents including:

- telephonic consultation
- direction on restoring your identity / credit
- ID theft Emergency Response Kit
- steps to dispute fraudulent debts
- advice on communicating with creditors and collection agencies
- preventative steps for avoiding future ID theft losses
- referral to an attorney for a free initial consultation

Additional services may be offered for a fee.

- An Identity Theft Recovery Package is available and may be offered as a courtesy and convenience
- Full Recovery Services are available (on request by the member)

(PAS does not benefit financially from these services)

Fraud resolution services are provided through your Employee Assistance Program
